## Nonprofit Membership: Ticket Reservations

We are excited to welcome you and those you serve to Kiewit Luminarium to explore the astonishing phenomena that shape our world, our communities, and ourselves.

While ticket reservations are not required, we strongly encourage you to reserve tickets in advance, especially during peak seasons and times. Below are instructions on how to reserve tickets prior to arrival. The designated point of contact (POC) from your organization does not have to be the key individual responsible for reserving tickets; however, it is the POC and the organization's responsibilities to:

- Facilitate the distribution of the membership and educate individuals using the membership on the guidelines and procedures.
- Ensure that individuals who utilize the membership and reserve tickets do not misuse the membership.

If you have any questions, please contact [community@kiewitluminarium.org](mailto:community@kiewitluminarium.org).

## How to Reserve Tickets

1. The email address of the POC from your organization will serve as your organization's member ID.
2. To reserve tickets, head to <https://kiewitluminarium.org/tickets/> and click on the "Reserve Your Tickets Now" button.

# Reserve Your Visit

We can't wait to welcome you to the Luminarium! Scroll down to view General Admission pricing. While daytime admission is always free for members, every Luminarium visitor must have a ticket to enter. Tickets are available at the door, but we recommend reserving tickets in advance for busy days.
